Notes from the Branch Vice-President

This is the annual elections issue of our newsletter. It includes your ballot for electing the 1990 Central Branch Executive as well as bringing you a word from most of the candidates [our apologies to Denis Pigeon: he is on vacation and could not be reached for his views].

As well as its own affairs, Central Branch is also responsible for the International Members of the CHA. For the first time we have an International Member standing for election to the Branch Executive so perhaps this year we will really be representative of our membership.

We have 12 candidates for the six available positions on our Branch Executive so make your selection, mark the ballot, mail it to us. Or FAX it to me at (416) 336-4819.

Just make sure it gets here before 13 December so your voice can be heard and your ballot can be counted...

- J.H. (Sam) Weller.

Next Meeting

Our next Central Branch meeting will be the Annual General Meeting of our Branch. It will be held at 12:00 on Wednesday 13 December 1989 in Room H122 at Canada Centre for Inland Waters [CCIW], Burlington.

As well as hearing the results of the elections for our 1990 Branch Executive, this meeting will consider our membership dues for 1990 and review our 1990 Budget items such as Wade Essay Award; H2O Bonspiel; sponsored dinner event; other social events etc.

This is the final meeting of 1989. Be heard, be there!

QUESTIONNAIRE

It has, and always will be, the mandate of the CHA to promote the professions of hydrography and cartography, but we do have some leeway in respect to presenting a little more of this or a little less of that. As an association there should be an emphasis on social activities and in an attempt to nurture this we request you take a moment to consider this questionnaire. All remarks and ideas will receive appropriate consideration.

Please identify those topics you would like to see addressed.

OTHER SUGGESTIONS

Jim Berry's Column

We've installed a pot-belly stove in our out-house to take the chill off. Hope it's not too cold yet where you are.

Had a fine meeting and a great turn-out at this last evening; 6 Out-House, 6 In-House and a couple of visitors. Let's do even better next time.

A big CHA welcome to Dave Caswell, an oceanographic technologist with McQuest Marine of Burlington. He came along to this meeting and just needed a little nudge to get his application form in and his \$25 out. Welcome!

Election time.... Great news.... three, yes 3, Out-House members are running this year to represent you on the Central Branch Executive: Ken McMillan, Cmdr. Larry Robbins [of New Zealand, now on assignment in the UK] and me, Jim Berry. Please give us your support: we need the votes to keep the voice from the Out-House strong.

Congrats are in order to Sean Hinds (Vice-Pres) and Brent Beale (Secy-Treas) by acclamation.

As you may or may not know, Sam Weller's permitted three consecutive terms as V-P have expired, so Sam will now be on the executive as Past Vice-President. I must, on behalf of the Out-House, thank Sam for his tireless efforts to bring unity and friendship to Central Branch. Without his persistence and dedication we wouldn't have the voice from the Out-House members as we do now.

To show our sincere thanks to Sam and Beth Weller, it is our privilege to appoint you both Honorary Out-House Members. We know Sam will continue to support the Branch and trust he will stand again for election in the near future.

That's it for now. Keep those cards and letters coming in and remember: if you are considering the purchase of an out-house of your own, you don't need an in-depth study.

REMEMBER TO VOTE! DO IT NOW!!

The Candidates Speak!

Brad Tinney: I would like to see more involvement in social activities such as evening meetings, curling, and other social or athletic events so we can get to meet each other on an informal basis.

Brian Power: To all my CHA friends, a hearty welcome. Most of you may recognize my name from our Branch newsletter as being your '89 Executive Member on the Seminar Committee. I proudly stand for re-election as your Executive Member in 1990. I will continue to work hard to advance the ideals of our association and I plead my continual support to our Branch Executive. I hope to meet and speak with more of you in the coming year.

The Candidates Speak!

Bob Covey: I am interested in seeing the growth of the CHA continue and feel it is the responsibility of the Branch executive to keep up with this growth and give life to the Branch. I am in favour of evening meetings and also hope to see more luncheon Seminars in 1990.

Terese Herron: I enjoyed my two terms as Secy-Treas but this year I have more field work. I would like to serve you as Executive Member in 1990 and will do my best to serve you well and be a good contact for members.

Ken McMillan: As an Out-House member of CHA Central Branch, I can see many controversial areas in which I feel CHA must take an active stand. One example is the OLS "grandfather" clause. For a strong stand on any future issues Central Branch will require a strong executive. I would be pleased to represent the Out-House members as an Executive Member. In addition, I will pursue the move of the Out-House column to the front of the newsletter in order to indicate the lead that Out-House members can take in CHA Central Branch.

John Medendorp: I am all in favour of evening meetings with social beer and pizza so Out-House members have a chance to attend. I like the idea of a sponsored dinner meeting, and maybe we should drop the CCIW noon-time meetings altogether?

Larry Robbins: Unaccustomed as I am to public hustings, I am pleased to offer reasons why I am delighted to stand for election to the Branch Executive: I firmly believe that the strength of a society such as ours is in the personal links it maintains with its members and getting them involved in the work of the organisation. If elected to the CHA Central Branch Executive I will seek to work with and augment the efforts of the Vice-President in developing a close liason with the International Members, seek to stimulate their contributions to the work of the Branch and the Association, and represent the International Members as best I can.

Boyd Thorson: My slogan for the 1990 Central Branch campaign is "More of the Same". Thorson's efforts will be to support the new Executive and continue to:

- communicate the G.E.Wade Essay Award to Colleges and Universities in our area;
- provide Executive support to the co-ordinator of the 1990 H2O Bonspiel... Curlers! Keep Sunday Feb. 18 open for this gala event;
- work to keep printing costs of Lighthouse to lowest level possible and maintain and improve quality.

KEEP THE COVER BLACK IN 1990

Keith Weaver: I would like to take this opportunity to thank the membership for their support in the past and "Let's do it again for 1990". Over the past year it would appear that we have a strong Outhouse voice and I support their efforts. Through an active Executive, and an increased awareness of all our members' needs, I'm sure we can come up with another exciting year with the CHA.
